

WELCOME TO DURWARD'S GLEN!

Durward's Glen provides a quiet, scenic location for individual or group retreats, business meetings, family or class reunions, bridal or baby showers, wedding receptions and more!

Come for the day or stay overnight in our comfortable and historic lodgings!

We are located in the heart of the Baraboo Hills National Natural Landmark. Several of our buildings are listed on the National Register of Historic Places. The Glen's 37 acres of park-like grounds include Prentice Creek, a picnic area, two covered porches with Adirondack and rocking chairs, hiking trails, a fire pit, pond, old growth white pine and oak, and a Catholic chapel and grotto.

MEALS

Two kitchens are available to Main Lodge guests. The large kitchen includes two cooktops and ovens, a commercial refrigerator, sink and coffee maker. A freezer is located across the hall. The South Wing kitchen is galley-style. Both have basic supplies including plates and silverware.

The Artist's Cottage has an apartment-style full kitchen. The Hermitage has a kitchenette with microwave & refrigerator (but no running water).

Prefer not to cook? Several area caterers service Durward's Glen. Contact us for a current list.
